

## 2019 Weekly Camp Themes

### 1—\*June 25-28, Coding with Kids: Scratch - Game Development:

Game development with Scratch is an excellent way for beginners and advanced coders to express their programming skills with creativity! Projects will span from unique interactive stories to computer games featuring Artificial Intelligence! The afternoons will include both indoor and outdoor activities!

**\*4 days only (T-F) No camp Monday 6/24**

2—\*July 1-3 & 5, Sports Sampler: Campers will spend the morning at Arena Sports in Redmond. They will play a different sport each day in this high energy Sports Sampler class, finishing the session on the inflatables in the Fun Zone! Campers will be transported by the WMS Activity Bus to and from Arena Sports. The afternoon will include more games, both indoor and outdoor!

**\*4 days only (M-W & F) No camp Thursday 7/4**

3—July 8-12, Take the Stage: Campers will take part in a collection of scenes and musical numbers from popular shows. Each day campers will work on presentation skills and work towards their final performance at the end of the week. Afternoons will be filled with costume and prop making as well as have fun outdoor activities.

4—July 15-19, Pacific Islands: This week we will explore the natural world and diverse cultures of the Pacific Islands by tasting delicious food (that we make ourselves!), creating take-home crafts, flipping through library books, and engaging in fun activities indoor and out.

5— July 22-26, Beach Week: Visit some of our fabulous, regional saltwater beaches and fresh water lakes such as Golden Gardens, Carkeek Park, Willis Tucker Splash Pad, Marina Beach Park in Edmonds, and the Ballard Locks. Campers will be transported by the WMS Activity Buses.

6— July 29-Aug 2, Chess Wizards: This week WMS welcomes Chess Wizards. Their instructors have a love and skill for the game of chess. Their ability to use these qualities to create a fun and challenging learning environment for the campers. Mornings will be spent learning chess strategies and afternoons will be spent out at local parks and playgrounds.

7— Aug 5-9, Circuits and More: Each day campers will enjoy activities experimenting with circuits. The goal of the project is to design tools and activities which allow students to create circuits and explore electronics. There will be different experiments to discover throughout the week.

8— Aug 12-16, Robot-U: Campers will learn engineering and programming through the use of LEGO WeDo and MINDSTORMS robotic sets and Microsoft's game creation software Kodu. Our main focus is on teaching basic to advanced concepts of engineering and programming in a fun, but challenging way. Afternoons will be spent out at local parks and playgrounds.

9— Aug 19-23, Animal Week: Campers will encounter all kinds of animals this week from kangaroos to leopard geckos. We will take the WMS activity bus to the Reptile Zoo, Kangaroo Farm, Point Defiance Zoo, Seattle Aquarium and finish the week off taking a ferry ride to Kingston for ice cream! You don't want to miss out on the last week of summer camp fun!

## Elementary Summer Camp Program

### ***WMS families and friends welcome!***

**Get ready for some summer fun!** Join us for our WMS Elementary Summer Camp, specifically designed for children entering 1st through 6th grades. If your child is entering kindergarten in the fall, please refer to our *Early Childhood* camp brochure.

**Weekly Themes:** Each week is planned around a theme that includes hands-on and experiential activities crafted to spark the imagination, teach a skill, or just plain have fun—such as coding, chess, drama, or field trips to local parks and beaches.

**No Child Left Inside:** Do you want your kids to be outside this summer? Our summer program is packed with outings varying from beaches, parks, museums, sports adventures and more! In addition to the field trips listed, campers will go out to local parks and lakes in the afternoons. Swimming is an option, weather permitting.

**Staffing:** We believe that a meaningful camp experience depends upon the staff. All of our staff are carefully selected by interviews, reference checks and mandatory background checks. Many of our summer staff members are also school staff members. Each is certified in CPR and First Aid.

**Snack:** A healthful morning snack will be provided for each camper. Water is also available during the day and campers are reminded to keep themselves hydrated. Lunch is required each day. Extended day campers will be provided an afternoon snack.

Thank you for your interest in summer camp! Please keep the following in mind when you select the summer camp session(s) you want your child to attend:

- Sessions are subject to cancellation in cases of low enrollment, in which case a full refund will be made.
- Campers may withdraw at any time, but must do so in writing. Refunds are based on school's date of receipt of withdrawal letter: full refund less 5% service fee if requested 15 calendar days or more before first day of camp; 50% refund if requested 8–14 calendar days before first day of camp; **NO refunds will be given for anyone withdrawing from camp less than 8 calendar days prior to the first day of camp.**
- **Late pick-up charges of \$2.00 per minute** will apply to Full Day campers picking up after 3:25 pm and to Club House campers picking up after 6:00 pm.
- Families who have been awarded Tuition Assistance for the 2019–20 school year are eligible for summer financial assistance.

*“Education is a natural process carried out by the child and is not acquired by listening to words but by experiences in the environment.”*
