

Join us for our Early Childhood camps specifically designed for your 3-6-year-old child.

If your child is entering first grade in the fall, please refer to our Elementary camp brochure.

Summer Fun—Montessori Style!

Your child will benefit from the rich learning activities and meaningful opportunities for friendship that characterize a Montessori classroom, but in a slower, more relaxed atmosphere.

Your camper will enjoy a variety of indoor and outdoor activities including with their favorite Montessori materials, science, art, literature, garden work, water play, nature walks, picnics, increased outdoor work, and more time for free play to enjoy the summer weather.

Summer camp is an amenity available to early childhood students enrolled in both the 2018-19 and 2019-20 school years until March 24. Any families that have withdrawn from the early childhood program are welcome to register March 25.

We believe that a meaningful camp experience is supported by a wonderful staff. All of our camp staff are WMS employees, certified in CPR and First Aid, and the camps are led by qualified teachers following Montessori principles.
