Get ready for some summer fun! Join us for our WMS Elementary Summer Camp, specifically designed for children entering 1st through 6th grades.

If your child is entering kindergarten in the fall, please refer to our Early Childhood camp brochure.

Weekly Themes: Each week is planned around a theme that includes hands-on and experiential activities crafted to spark the imagination, teach a skill, or just plain have fun—such as coding, chess, drama, or field trips to local parks and beaches.

No Child Left Inside: Do you want your kids to be outside this summer? Our summer program is packed with outings varying from beaches, parks, museums, sports adventures and more! In addition to the field trips listed, campers will go out to local parks and lakes in the afternoons. Swimming is an option, weather permitting.

Staffing: We believe that a meaningful camp experience depends upon the staff. All of our staff are carefully selected by interviews, reference checks and mandatory background checks. Many of our summer staff members are also school staff members. Each is certified in CPR and First Aid.

Snack: A healthful morning snack will be provided for each camper. Water is also available during the day and campers are reminded to keep themselves hydrated. Lunch is required each day. Extended day campers will be provided an afternoon snack.
